Quick and efficient barrel cleaning in a single pass.

The **Hoppe's BoreSnake®** is a gun **cleaning cord** that combines an integrated bronze brush and an optimized cleaning surface for quick and thorough barrel maintenance.

- **Compatibility:** EN9150 (.22), EN9151 (9mm/.357), EN9152 (.44/.45)
- **Type:** Quick cleaning cord
- **Included accessory:** BoreSnake® Den reusable carrying case
- **Integrated handle:** Lid that transforms into a pull handle
- **Integrated brush:** **Bronze** filaments for effective cleaning
- **Cleaning surface:** 160x wider than a standard patch

A quick cleaning tool designed for demanding shooters

Ideal for **sport shooters**, **security personnel**, or **precision enthusiasts**, the **Hoppe's BoreSnake®** allows for ultra-fast barrel cleaning between shooting sessions. With its **single-pass** system, it effectively removes shooting residue and preserves the internal rifling of the barrel.

A clever and practical Den case

The new **BoreSnake® Den case** not only serves as a carrying case: its lid transforms into a **pull handle** to facilitate lanyard use, even with gloved hands or in demanding environments.

160 times more effective cleaning

Thanks to its **enlarged cleaning surface**, the **BoreSnake®** provides continuous and even friction across the entire barrel. The integrated **bronze brush** removes powder residue and carbon, while the cord end collects any remaining particles.

Three calibers available

- **EN9150:** Compatible with .22 LR
- **EN9151:** Compatible with 9mm and .357
- **EN9152:** Compatible with .45 and .44

Comparative characteristics by reference

Each version of the **BoreSnake®** has been optimized according to the caliber. Here are the detailed technical specifications:

Reference	Cord length	Weight	Cleaning section	Bronze brush
EN9150 (.22)	125 cm	15 g	57 cm	5 cm
EN9151 (9mm / .357)	120 cm	20 g	52 cm	5.5 cm
EN9152 (.45 / .44)	122 cm	25 g	55 cm	6 cm

FAQ

How to use the BoreSnake®

Insert the thin end into the chamber, then pull gently using the integrated handle. The cord performs a complete cleaning of the barrel in a single pass.

Is this product compatible with long guns?

The models referenced here are designed for **pistols** . For rifles or shotguns, specific BoreSnake® versions exist.

How do I maintain the BoreSnake®?

It is hand washable with warm water and mild soap. Allow to dry completely before reuse.
