Quick cleaning of the rifle barrel in a single pass.

The **Hoppe's BoreSnake®** for **rifles** is a simple, fast and ultra-efficient **cleaning cord** , supplied with an integrated handle and a rigid carrying case.

- **Compatibility:** EN9139 (.30), EN9149 (M16 / .22 - .225)
- **Type:** Rifle cleaning cord
- **Case included:** Reusable rigid BoreSnake® Den case
- **Integrated handle:** Lid serving as a pull handle
- **Bronze brush:** Integrated to remove stubborn residue.
- **Complete cleaning:** Active surface area 160 times greater than a patch

A quick and efficient barrel cleaning

Designed for **target rifles** and **tactical training rifles** , **Hoppe** 's BoreSnake® allows for quick and efficient maintenance. It is inserted through the chamber, passes through the barrel, and cleans it completely in one smooth motion thanks to its **extended cleaning surface** .

A practical case and an integrated handle

The **BoreSnake® Den** protects the cord between uses. Its lid doubles as a **pull handle** , a simple yet essential improvement that makes maintenance easier, even outdoors or on the firing line.

Specific features adapted according to caliber

Each model has been designed to optimize cleaning according to the diameter and length of the barrel being targeted. Here are the detailed technical specifications of the two versions:

Reference	Caliber	Cord length	Weight	Cleaning section	Bronze brush
EN9139	.30	169 cm	22 g	68.5 cm	3 cm

Reference	Caliber	Cord length	Weight	Cleaning section	Bronze brush
EN9149	M16 / .22 - .225	178 cm	14 g	71 cm	4.5 cm

FAQ

Is this cord suitable for long guns?

Yes, these versions of the BoreSnake® are specifically designed for cleaning .30 or .22/.225 caliber **rifles** (M16 type).

Can the BoreSnake® replace a complete cleaning?

This is a quick and highly effective maintenance solution between deep cleanings. For a complete cleaning, the use of specific solvents is recommended.

Can the BoreSnake® be washed?

Yes, it is hand washable with mild soap. Make sure to dry it completely before reusing.
