LE886	Lee case ejector Pro 6000 #92055	Vente libre	7.00 € incl. tax

Original part for automatic ejection of finished cases.

The **Lee case ejector** is the **original replacement part** for Six Pack Pro presses. It ensures the smooth ejection of spent cartridges into the collection tray.

- **Compatibility:** Lee Six Pack Pro press only
- **Function:** Automatic ejection of finished cases
- **Installation:** direct, part-by-part replacement
- **Original part:** Lee Precision USA

Smooth ejection of reloaded cartridges

On the Six Pack Pro progressive press, the spent case is automatically ejected thanks to this **case ejector** . It guides the cartridge out of the platen towards the waste tray without interrupting the reloading cycle.

Direct replacement for the original part

This component is a **genuine Lee part** , identical to the one supplied with the new press. In case of wear, breakage, or loss, it can be replaced in seconds, without complex adjustments.

Exclusively compatible with the Six Pack Pro

This model is **specific to the Six Pack Pro press** . It is not compatible with other presses in the Lee range (Load-Master, Pro 1000, etc.).

FAQ

Is this ejector compatible with other Lee presses?

No, it is designed exclusively for the Six Pack Pro and does not fit other models.

Is it an original part or a modified accessory?

This is a genuine Lee Precision part, identical to the one supplied with the new press.

How do I know if my ejector needs replacing?

If finished cases are no longer ejected correctly or remain stuck on the plate, replacement of the ejector may be necessary.
