The **NUM'AXES polyurethane strap** is designed to offer comfort, durability and compatibility with several electronic dog devices, including **Canicalm** and **Canifugue** collars.

- **Material:** Soft and durable polyurethane
- **Width:** 18.5 mm
- **Length:** 85 cm
- **Maintenance:** easy to clean
- **Compatibility:** Canicalm Smart, Canifugue Pro, Canicom 5
- **Available colors:** black, green, neon green, blue, orange

A robust strap for heavy-duty use

Made from **high-quality polyurethane** , this strap is flexible, durable, and easy to care for. It's resistant to mud, moisture, and repeated rubbing. It's the ideal accessory for outdoor activities, whether **hunting** , **hiking** , or **dog training** .

Perfect compatibility with NUM'AXES devices

Designed to fit the brand's electronic devices, this strap is compatible with collars such as the **Canicalm Smart** or the **Canifugue Pro** . Its standard width of **18.5 mm** allows it to securely hold the device in place, while ensuring **comfortable wear for the animal** .

- **Closure:** metal buckle with retaining loop
- **Secure mounting:** suitable for outdoor use

- **Flexibility:** does not injure the dog even during prolonged use

A choice of colors for every need

Available in **five different colors** , this strap adapts to both practical needs and aesthetic preferences. The **fluorescent orange** model is perfect for **increased visibility** in the forest or in wooded areas. The other colors-black, green, blue, and fluorescent green-allow for more discreet or coordinated use depending on the equipment.

FAQ

Is this strap compatible with all NUM'AXES collars?

Yes, it is compatible with models equipped with a standard case such as Canicalm Smart and Canifugue Pro.

Is the strap water and dirt resistant?

Yes, the polyurethane used is waterproof and very easy to clean.

What is the maximum length of the collar?

The strap measures 85 cm, which is suitable for most dog breeds.
