Wide and reinforced strap, ideal for difficult terrain.

The NUM'AXES 25mm polyurethane sling is designed for demanding outdoor activities. It combines robustness, comfort and practicality thanks to its reinforced design, available in **7 colors** to suit all uses and preferences.

- **Length:** 65 cm
- **Width:** 25 mm
- **Material:** Flexible and ultra-resistant polyurethane
- **Reinforcements:** to critical tension zones
- **Seams:** reinforced for better durability
- **Available colors:** black, blue, yellow, red, neon green, purple, green
- **Use:** hunting, outdoor activities, rough terrain

A strap designed to last

The NUM'AXES 25 mm webbing is designed to withstand the most demanding conditions. It combines **robust polyurethane** with a reinforced construction to guarantee longevity, even with daily wear and tear. Rain or shine, it remains reliable.

A choice of colors for each mission

In addition to its durability, this strap is available in eight **distinct colors** , making it easy to identify equipment, increase **visibility in the field** , or simply personalize your setup. **Fluorescent green** , **yellow**, **orange** , and **red** are perfect for dense environments. **Black** , **blue** , or **purple** offer a more understated look. And classic **green** remains a standard for outdoor gear.

- **Colors:** Black, Blue, Yellow, Red, Fluorescent Green, Purple, Green and Orange
- **Differentiation:** ideal for multiple devices
- **Visibility:** optimized according to the terrain

Simple installation, maximum hold

The strap adjusts quickly thanks to its sturdy **metal buckle** . **Reinforced stitching** in critical areas ensures consistent reliability, even after repeated use. Its ability to remain flexible while providing a secure fit around equipment or animals is particularly appreciated.

FAQ

What colours are available for this strap?

The strap is available in black, blue, yellow, red, neon green, purple, orange and green.

Is the strap suitable for harsh environments?

Yes, its reinforced design and durable material make it an ideal choice for rough terrain.

Can it be used to attach an electronic collar?

Yes, if the collar is designed for a 25mm wide strap, it fits perfectly.
