SKU	Designation	French Law	Tension (v)	Battery	MSRP
NUM850	NUMAXES - Blister 2 piles D LR20 alcaline 1,5V	Vente libre	1.5	LR20 - D	9.00 € incl. tax

### High-capacity alkaline batteries for your outdoor equipment.

**NUM'AXES D LR20 batteries** offer reliable 1.5V power for all your energy-intensive outdoor devices. Sold in packs of 2, they are designed for long-lasting use.

- **Type:** D / LR20 / E95 / AM1 / MN1300
- **Nominal voltage:** 1.5 V
- **Capacity:** 18,000 mAh
- **Technology:** Alkaline
- **Packaging:** blister pack of 2 batteries
- **Uses:** lamps, detectors, outdoor devices

### A durable power supply for demanding equipment

**NUM'AXES D LR20 batteries** are ideal for all devices requiring strong and long-lasting energy: powerful flashlights, motion detectors, electronic surveillance equipment... Their **D (LR20)** format is standard and compatible with a wide range of equipment used in the field or at home.

### Alkaline technology: reliability and consistency

Designed with **high-performance alkaline technology**, these batteries deliver a stable **1.5V** voltage and a **high capacity of 18,000mAh**. In other words, they ensure **continuous power** even under extreme conditions: cold temperatures, humidity, prolonged use, etc.

- **Compatibility:** D / LR20 / E95 / AM1 / MN1300
- **Format:** industrial standard
- **Longevity:** designed for high-consumption appliances

### Convenient, ready-to-use format

The **blister pack of two batteries** makes storage and transport easy. You can always keep a spare pack in your bag, vehicle, or hunting trunk. An essential for those who don't want to be caught unprepared in the middle of a hunt.

## **FAQ**

### **Are these batteries rechargeable?**

No, these are single-use alkaline batteries. They do not need to be recharged.

### **What is their shelf life?**

Stored under good conditions, they retain their performance for several years.

### **What devices are they suitable for?**

They are suitable for powerful lamps, detection equipment, radios, monitoring devices...
