A lightweight and flexible strap suitable for spray collars

This **turquoise blue nylon** strap was developed for the **Canicalm Spray** and **Iki Spray** collar models. Thin, flexible, and durable, it ensures a perfect fit for the device while guaranteeing optimal comfort for the animal.

Two lengths for a better fit

Available in **64 cm** or **85 cm** lengths, this strap is suitable for both **small** and **medium-sized** dogs. It allows for a precise fit around the neck, preventing any discomfort or risk of loosening.

Reliable material and buckle included

The strap is made of high-quality **braided nylon** , resistant to moisture and abrasion. It comes with a sturdy and easy-to-use **plastic buckle** , allowing for immediate attachment to the collar.

Specific compatibility with spray collars

This model is specifically designed to be mounted on:

- **Canicalm Spray**
- **Iki Spray**

Perfect as a replacement for a worn strap or for adapting the collar size to a new pet.

FAQ

How to choose between lengths of 64 cm and 85 cm?

The **64cm** version is recommended for small dogs. The **85cm** version is better suited to medium-sized dogs with a wider neck.

Is this strap pre-drilled for the camera body?

Yes, it includes the **necessary perforations** to directly attach **Canicalm Spray** or **Iki Spray** canisters.

Can it be used on collars other than those indicated?

It is designed exclusively for the models mentioned. For other collars, it is best to check the dimensions and compatibility of the mounting points.
