- **Special feature:** ventilation perforations

Protect and style your Num'Axes necklace

The **Num'Axes collar cover** is much more than just a simple case: it effectively protects the collar's casing from scratches, splashes, and minor impacts. It also offers the opportunity to add a touch of **colorful personalization** to your pet's gear.

Airy design and optimized comfort

Its design incorporates **ventilation perforations** that allow air to circulate freely around the animal's neck, **reducing overheating** during prolonged wear. Lightweight and streamlined, it moves with the dog without causing discomfort.

Resistance and longevity

Made from **high-strength rigid plastic** , this lid is resistant to abrasion, weathering, and repeated handling. It is perfectly suited for outdoor activities as well as more typical everyday use.

Available in several colors

Depending on the version, this cover is available in **different colors** (subject to availability). It's the perfect accessory to **differentiate between several collars** in a pack, or simply to personalize your dog's collar.

Simple installation and easy maintenance

Installation is quick and easy, requiring no special tools. A simple damp cloth is all that's needed to clean it after outdoor use, for hassle-free maintenance.

FAQ

Is this cover compatible with all Num'Axes collars?

This model is **compatible with certain standard Num'Axes collars** . It is important to check compatibility with your specific model before purchasing.
