Clear communication over long distances

Designed for diverse environments, the **TLK1038** offers a **range of 1 to 2 km in urban areas** , **up to 5 km in forests** , and **12 km in the mountains** . This versatility makes it an indispensable tool for staying connected in all situations.

Wide compatibility with PMR446

With its **192 channels** and **38 CTCSS sub-channels** , this walkie-talkie is compatible with most PMR446 devices on the market. It is suitable for both professional fleets and users equipped with different models.

Advanced features and ease of use

The TLK1038 features a clear **control screen** , a **vibration mode** , **frequency scanning** , and smart functions such as automatic **squelch** and **VOX mode** for hands-free talking. The dual jack input allows for the addition of audio accessories for more discreet use.

Durable, lightweight and practical

Weighing only **80 grams** (including the battery), the TLK1038 slips easily into any environment without hindering movement. It's **splash-proof** and **shock-resistant** , even in harsh conditions. Its rechargeable battery provides ample power for a full day of activity.

FAQ

Is the TLK1038 walkie-talkie compatible with other PMR446 models?

Yes, thanks to its 192 channels and CTCSS sub-channels, it is compatible with the majority of PMR446 walkie-talkies on the market.

What is the actual range of the TLK1038?

The range varies depending on the terrain: 1 to 2 km in town, 4 to 5 km in the forest, and up to 12 km in the mountains.

Does it come with all the necessary accessories?

Yes, the pack includes an earpiece, a wrist strap, a belt clip, a rechargeable battery, a charger and a user guide.
