NUMP0152	Bloc d'alimentation 5V 500mA pour collier CANIFUGUE SMALL	Vente libre	5	19.00 € incl. tax

5V 500mA charger ideal for NUM'AXES electronic collars with European plug.

The **NUM'AXES 5V 500mA power supply** is designed to ensure the safe charging of several of the brand's electronic collars. Compact and compatible, it is equipped with a **European plug** .

- **Input:** 100-240 V, 50-60 Hz, 0.3 A
- **Output:** 5V - 500mA
- **Connectivity:** Standard USB with integrated connector
- **Plug type:** European
- **Compatibility:** Canifugue Small, Canicalm Small, Eyenimal Small Bark Control, Canibeep 5

Charger dedicated to small electronic collars

The **NUM'AXES 5V - 500mA power supply** is an essential accessory for keeping even the most compact animal behavior control devices charged. Its **lightweight design** and **integrated European plug** make it perfect for home or travel use.

Compatibility with compact models

- **Canifugue Small:** anti-escape system
- **Canicalm Small:** Anti-barking collar
- **EYENIMAL Small Bark Control:** mini and discreet version
- **Canibeep 5:** Sound tracking collar

This charger has been specifically designed for these models to ensure a **suitable power supply** without risk of overload.

Electrical reliability and safety

Thanks to its **calibrated 5V output** at **500mA** , this power supply offers stable and continuous charging. The multi-voltage input (100-240V) allows it to be used in many European countries with an adapter if necessary.

FAQ

Is this power supply compatible with all NUM'AXES products?

No, it is specifically designed for the Canifugue Small, Canicalm Small, Eyenimal Small Bark Control and Canibeep 5 models.

Can I use this charger abroad?

Yes, its 100-240V input allows for international use, provided you have a plug adapter.

Is it compatible with NUM'AXES GPS collars?

No, this model is designed for the Small anti-escape and anti-barking collars, as well as the Canibeep 5.
