Starline quality in convenient and economical small packaging.

Ideal for occasional reloaders or load testing, this blister pack of **50 STARLINE brass cases** offers the same **American-made quality** as the 250-box versions. Perfect for pistols and revolvers, these unprimed cases are compatible with Boxer primers.

- **Brand** : Starline
- **Type** : Handgun reloading cases
- **Material** : High-quality brass
- **Compatibility** : Boxer primers
- **Packaging** : Blister pack of 50 cases
- **Origin** : Made in USA
- **Use** : Pistol and revolver

The Starline 50-case blister pack is the ideal solution for reloaders who want to test a caliber, make adjustments or gradually equip themselves with high-end equipment.

Starline Brass: the American standard

Each case benefits from a specific high-strength brass, carefully machined to guarantee a perfect fit during firing and resizing. This compact packaging does not compromise the quality for which Starline is renowned.

For all types of reloaders

This blister pack is particularly suitable for those starting out in reloading or looking to test a caliber. It is also useful for specific applications (low-charge reloading, precision testing, etc.).

Versatility of calibers

Compatible with most Boxer-primed handguns: .38 Super, 9mm, .44 Magnum, .45 ACP, .357 Mag, .40 S&W, etc. Full list available depending on stock.

FAQ

What is the difference with the 250 boxes?

There is no difference in quality: the cases are exactly the same. The 50-pack blister pack simply offers a more accessible or complementary format.

Can I use these cases for multiple reloads?

Yes, Starline cases are designed to withstand multiple reloading cycles, even intensive ones, provided that safety rules are followed.

Are they suitable for beginners?

Yes, the 50 blister pack is ideal for discovering refilling without commitment on a large quantity.
