Thermal protection and rustic style for winter outdoor use.

The **Browning IBEX Brown cap** offers excellent thermal insulation in a simple and robust style, perfect for outdoor activities in cold weather.

- **Outer material:** waxed-look fabric, vintage style
- **Inner lining:** soft fleece for extra warmth
- **Foldable earcups:** adjustable thermal protection
- **Color:** Aged brown
- **Logo:** iconic black embroidery Browning

A cap designed for active winter

Whether for a driven hunt, a hike in **the woods** , or simply staying warm at the shooting range, this Browning cap combines a vintage look with genuine thermal functionality. The slightly **waxed** outer fabric gives it an authentic feel, while offering good resistance to wind and light moisture.

Foldable fleece ear flaps

The detail that makes all the difference: discreet earcups, lined with **black fleece** , that can be deployed to effectively protect against the cold. A real plus when spending several hours outdoors, without sacrificing comfort.

A simple and technical style

With its weathered brown hue and tone-on-tone embroidered **Browning logo** , it blends perfectly with hunting, stalking, or **bushcraft** attire. The curved brim protects the eyes from the low winter sun while ensuring a secure fit.

- **One size fits all:** standard fit
- **Design:** 6-sided, flexible structure
- **Uses:** outdoor activities, cold-weather hunting, nature observation
- **Care instructions:** Hand washing recommended

FAQ

Is this cap waterproof?

It is not 100% waterproof, but the waxed outer fabric offers good resistance to light moisture.

Can the earcups fold completely flat?

Yes, they are designed to fold inside the cap when not in use.

Is it suitable for hunting in winter?

Yes, it offers good thermal insulation and a discreet color suitable for the forest environment.
