A high-capacity, stable and accurate .177 pistol, designed for dynamic shooting.

The **AW Custom HX2003** is a .177 gas blowback pistol in a long format, designed to offer stability, high autonomy and optimal control during dynamic shooting.

- **Caliber:** .177 (4.5 mm)
- **Operation:** Gas blowback
- **Initial speed:** 330 FPS
- **Energy:** 1.01 joules
- **Magazine capacity:** 30+1 rounds
- **Total length:** 223 mm
- **Weight (without charger):** 735 g

A long format geared towards stability and precision

With its extended slide and **109.9 mm** inner barrel, this model offers excellent stability at the start of the shot. Muzzle rise is well controlled, facilitating rapid follow-up shots while maintaining good shooting consistency.

Modern ergonomics and enhanced control

The textured grip ensures a firm and natural hold. The included **magwell** optimizes reloading, while the pistol's overall balance immediately inspires confidence. In practice, the consistent grip is appreciated, even during extended shooting sessions.

Adjustable sights and included equipment

The HX2003 comes with a **sighting mount** for compatible optics. The included mounting hardware allows for easy adaptation to different shooting configurations, according to user preferences.

Additional technical details

- **Charger:** HX 5.1 high capacity included
- **Charger weight:** 335 g
- **Pistol height:** 159 mm
- **Box dimensions:** 290 x 185 x 56 mm
- **Package weight:** 1270 g

FAQ
