- Anti-escape collars: Canifugue FUG1030 (ref. NUM210), Canifugue Mix FUG1031

Strength and durability

Made from **robust nylon** , this strap withstands repeated pulling and varied outdoor conditions. The material is abrasion and moisture resistant, ensuring long-lasting durability - even during energetic walks.

Format 25 mm x 76 cm

With a width of **25 mm** , it offers a comfortable grip while ensuring good durability. Its length of **76 cm** allows you to keep the dog close, ideal in urban areas or when traveling and needing close control.

Secure attachment

The **clip buckle** ensures a secure attachment to the collar. Simple to use, it allows for quick fastening while maintaining an excellent level of safety during walks.

Simple and versatile style

Its **neutral grey** color easily matches different collars and equipment. Discreet and elegant, it is suitable for both male and female dogs.

Additional information

- **Gender:** Mixed
- **Age:** Adult
- **Use:** Daily walk

FAQ

Is this strap suitable for large dogs?

Its 25mm width and robust nylon construction make it suitable for a wide range of dog sizes. However, it is advisable to check compatibility with your dog's weight and pulling strength.

Is the strap adjustable?

This model has a fixed length of 76 cm, ideal for close control during walks.

Is it weather-resistant?

Yes, the nylon used is resistant to moisture and friction, ensuring good durability outdoors.
