Enhanced safety and comfort for anti-escape collars.

The **NUM'AXES 20mm Elastic Nylon Strap** is specially designed for the **Canifugue Small anti-escape collar** . Equipped with an anti-strangulation elastic system, it ensures effective restraint and optimal safety for your dog.

- **Type:** Nylon strap with anti-strangulation elastic
- **Width:** 20 mm
- **Color:** Black
- **Compatibility:** Canifugue Small
- **Closure:** Secure clip buckle

Integrated anti-strangulation system

The presence of a **safety elastic** allows the strap to slacken under high tension. This feature reduces the risk of accidental snagging (on branches, fences, or other obstacles), providing added safety during outdoor activities.

Canifugue Small Compatibility

Designed specifically for the **Canifugue Small collar** , this strap ensures a proper fit and a secure hold around the dog's neck. Installation is quick and easy.

Durable nylon, 20 mm format

Its **20mm** width offers a good compromise between comfort and durability. The **robust nylon** resists abrasion and common outdoor conditions, ensuring long-lasting use.

Additional features

- **Use:** Replacement or original part
- **Color:** Black
- **Mounting:** Suitable for Canifugue Small cases

FAQ

Is this strap compatible with other Canifugue models?

It is specifically designed for the Canifugue Small model. For other models, please check the compatibility of the dimensions.

What is the purpose of an anti-strangulation elastic band?

The elastic allows the strap to relax in case of excessive tension, reducing the risk of strangulation if the collar gets caught on an obstacle.

Can it be used as a regular necklace?

This strap is designed to hold the Canifugue Small anti-escape collar casing. It is not intended to replace a standard walking collar.
