NUMP0155	NUM'AXES CANICOM GPS USB cable	Vente libre	9.00 € incl. tax

Easily recharge and update your CANICOM GPS collars.

The **NUM'AXES CANICOM GPS USB cable** is designed for **charging** and **programming** CANICOM GPS collars and remote controls. Featuring a 4-pin magnetic connector, it ensures a reliable and fast connection.

- **Type:** USB charging cable
- **Connector:** 4-pin magnetic connector
- **Functions:** Charging and updating
- **Compatibility:** CANICOM GPS, CANICOM GPS 2, CANICOM GPS MINI
- **Mains connection:** Via charger ref. NGREPACC039 (not supplied)

Reliable and secure charging

This **USB cable** allows you to efficiently recharge your **CANICOM GPS** collar or remote control. The magnetic connector ensures precise positioning and minimizes the risk of poor contact. In practice, the connection is quick, intuitive, and perfectly suited for regular field use.

4-pin connection for update

Thanks to its **4-pin connector** , this cable isn't just for charging: it also allows for **programming** and updating compatible devices. A key advantage for keeping your equipment up-to-date and optimizing its performance.

CANICOM GPS range compatibility

This model is compatible with:

- **CANICOM GPS**
- **CANICOM GPS 2**
- **CANICOM GPS MINI**

For direct connection to mains power, it must be used with the **CANICOM GPS charger ref. NGREPACC039** (sold separately).

Genuine NUM'AXES accessory

Using an original cable guarantees perfect compatibility and charging according to manufacturer specifications. Ideal as a replacement for a lost cable or as a second device.

FAQ

Does this cable only allow charging?

No, it allows both charging and updating/programming of compatible devices thanks to its 4-pin connector.

Is it compatible with all CANICOM models?

It is compatible with CANICOM GPS, CANICOM GPS 2, and CANICOM GPS MINI models. Please check your exact model before purchasing.

Can it be plugged directly into a wall socket?

Yes, provided it is used with the CANICOM GPS charger reference NGREPACC039, sold separately.
