PCP Arrow rifle 4.5 mm - 19.9 joules

The **GAMO Arrow PCP** impresses with its compact size and smooth operation. Its **PCP (Pre-Charged Pneumatic)** system offers consistent shooting without unwanted vibrations. With a power output of less than 20 joules, it remains suitable for recreational target shooting while still delivering excellent accuracy.

The **125cc** air tank allows for over 90 shots per fill. Its **10-round** rotary magazine promotes smooth and comfortable rapid-fire action.

Canon Whisper Fusion & CAT trigger

The barrel incorporates the **Whisper Fusion** system with an integrated sound moderator, helping to reduce muzzle noise. The **GAMO CAT** (Custom Action Trigger) ensures a crisp and controlled break, ideal for target shooting.

GAMO 3-9x40 WR scope included

The **3-9x40 WR** scope, supplied with a 26mm diameter one-piece mount, allows you to adjust the magnification according to the shooting distance. Versatile, it is suitable for both medium-range shooting and precision target practice on paper targets.

GAMO Match AccuTek 4.5 mm pellets

The **AccuTek Match 500 pellet** tin features a new, more ductile alloy for improved barrel rifling. Their **flat head** ensures clean cuts on cardboard targets - a key advantage in sport shooting. The optimized design enhances stability and consistency of shot patterns.

- **Type:** Flat head (wadcutter)
- **Technology:** AccuTek™
- **Packaging:** 500 pellets

GAMO PCP 200 bar pump

The supplied high-pressure pump allows the reservoir to be filled up to **200 bar** . Equipped with a pressure gauge and a standard **DIN** thread, it is compatible with GAMO PCP air rifles and accepts various adapters depending on the configuration.
