Essential adapter for changing the stock of your SCORPION EVO

The **STRIKE Picatinny Stock Adapter for the CZ Scorpion EVO** allows you to replace the original stock with a **Picatinny rail** compatible model. Robust and machined from aircraft-grade aluminum, it offers modularity and durability for **sport shooting** .

- **Compatibility:** all versions of CZ SCORPION EVO
- **Interface:** 3-slot Picatinny rail
- **Strap attachment:** Integrated QD (Quick Detach)
- **Material:** Machined 6061-T6 aluminum
- **Installation:** direct replacement without modification

Upgrade your Scorpion EVO

For users wishing to replace the original stock with a **Picatinny** rail model, this adapter provides a reliable and versatile base. It opens access to a wide selection of compatible stocks, allowing for ergonomic adjustments to suit the shooter's physique or the installed optics configuration.

Adjustable 3-slot Picatinny rail

Equipped with **three Picatinny slots** , the adapter offers multiple mounting positions. This adjustment allows for optimal draw length and alignment with a **red dot sight** or any other optical system mounted on the platform.

6061-T6 aluminum construction

Machined from **6061-T6 aluminum** , this adapter combines lightness and mechanical strength. It perfectly withstands the stresses of use in **sport shooting** while maintaining a low weight, essential for preserving the weapon's balance.

Integrated QD strap attachment

The presence of a **QD (Quick Detach)** anchor point at the bottom facilitates the installation of a compatible strap. A practical detail for transport and handling at the shooting range.

- **Accessory type:** Stock adapter
- **Platform:** CZ Scorpion EVO
- **Installation:** without permanent modification
