7'' 3 fletch arrows compatible with Demun Accu-Strike.

The **BARNETT HyperBolt 7'' 3F x12 Demun** is a blister pack of **12 7-inch carbon bolts** , specially designed for **Demun Accu-Strike and Accu-Strike Pro crossbows** .

- **Length:** 7 inches (18 cm)
- **Tail assembly:** 3 fletchings (3F)
- **Compatibility:** Demun Accu-Strike / Accu-Strike Pro
- **Point:** Standard threaded field point
- **System:** Interchangeable screw-in tips
- **Packaging:** Blister pack of 12 strips

Dedicated Demun™ compatibility

The **HyperBolt™ 7'' 3F** were developed specifically for the **Demun Accu-Strike** and **Accu-Strike Pro** models. Their 7-inch length and geometry ensure optimal rail positioning and consistent propulsion.

Stabilized Fletch 3 Tail Assembly

Their **3-fletch (3F)** configuration ensures effective in-flight stabilization. The result: a more consistent trajectory and improved shot repeatability, especially during training sessions.

Interchangeable tip system

Each line is equipped with a **standard threaded point,** allowing for quick and easy replacement with specific Demun™ points (Precision Field Point, Vermin Broadhead, Blunt Force, depending on the application). This modularity offers great versatility.

Convenient packaging

Offered in a **blister pack of 12 strokes** , this pack is perfectly suited to regular practitioners and resellers wishing to offer consumables dedicated to the Demun™ range.

FAQ

Are these features compatible with all crossbows?

No, they are designed specifically for the Demun Accu-Strike and Accu-Strike Pro models.

Can the tips be replaced?

Yes, thanks to the standard thread, it is possible to install different interchangeable Demun™ compatible tips.

What is the length of the lines?

Each HyperBolt™ measures 7 inches and features a 3-fletch tail for improved stabilization.
