CU4551	Walkstool Basic Plastic Tip	Vente libre	6	Black	3.00 € incl. tax

Lightweight replacement tip compatible with Basic.

Walkstool Basic Plastic Feet are replacement feet designed for **Walkstool Basic** . Lightweight and easy to install, they provide stability and protection on various types of flooring.

- **Compatibility:** Walkstool Basic
- **Material:** Plastic
- **Total weight:** 18 g (0.63 oz)

Tips adapted to Basic models

Specifically designed for the **Walkstool Basic** , this **plastic tip** ensures a precise fit to the tripod legs. It is quick and easy to install, allowing for immediate replacement if worn.

Surface stability and protection

The plastic feet provide good grip on hard surfaces while protecting sensitive surfaces. In practice, they limit premature wear of the aluminum tubes and help maintain the seat's stability on natural terrain.

Ultra-light and easy to carry

Weighing only **18 grams** , this tip easily slips into a bag or gear pocket. A discreet yet essential accessory for maintaining the tripod's original performance.

FAQ

Is this bit compatible with the Walkstool Comfort range?

No, this model is designed specifically for the Walkstool Basic. It is recommended to check compatibility before purchasing.

How do I install the nozzle?

The feet attach directly to the end of the tripod legs. Simply remove the old feet and insert the new one until fully adjusted.

What is the weight of the tip?

The tip weighs 6g, ensuring a lightweight and easy-to-carry solution.
