Original replacement for optimal stability.

The **Walkstool Comfort SP Plastic Foot** is a replacement tip designed for **Walkstool Comfort models** . Robust and reliable, it improves the stability of the **tripod seat** on various types of flooring while protecting the frame.

- **Compatibility:** Walkstool Comfort SP
- **Type:** Plastic/TPE foot
- **Sales unit:** Per unit
- **Color:** Black
- **Category:** Camping Furniture Accessory

Enhanced stability on all types of ground

The **Comfort SP plastic foot** ensures excellent grip on various surfaces: grass, soil, hard ground, or slightly uneven surfaces. It helps to secure the seat and limits unwanted movement during use.

Effective protection of the structure

By absorbing some of the stress on the ground, this **TPE end cap** protects the aluminum tubes from premature wear. It's a discreet but essential element for preserving the chair's longevity, especially in demanding outdoor environments.

Quick and easy replacement

Sold **individually** , it allows for targeted replacement in case of wear or loss. Installation is intuitive: simply remove the old tip and insert the new one to immediately restore original stability.

An essential accessory for heavy-duty use

Whether **camping** , **hunting** , **fishing** , or for professional use, having a spare tripod ensures continuity and comfort. A technical detail... that makes all the difference in the field.

FAQ

Is this stand compatible with all Walkstool models?

This model is designed for the Walkstool Comfort SP. It is recommended to check compatibility before installation.

Is the product sold in lots or individually?

The Walkstool Comfort SP plastic foot is sold individually, allowing for precise replacement as needed.

What is the point of replacing a worn-out foot?

A leg in good condition ensures stability, safety, and protection of the aluminum tube. Replacing it extends the life of the seat.
