Replacement tip compatible with Basic and Comfort.

The **Walkstool Plastic Foot** is a replacement tip designed for the **Walkstool Basic** and some **Walkstool Comfort** models. Sturdy and lightweight, it ensures stability and protects the tripod on various types of flooring.

- **Comfort compatibility:** 18", 22", 26", 30"
- **Basic Compatibility:** 20", 24"
- **Type:** Plastic foot
- **Sales unit:** Per unit
- **Color:** Black

Extended compatibility Basic and Comfort

This **Walkstool plastic foot** is compatible with the **Comfort 18", 22", 26", 30"** models as well as the **Basic 20" and 24"** versions. It allows for targeted replacement in case of wear or loss, without having to change the entire tripod.

Stability on varied soils

Its design ensures good grip on compact, grassy, or slightly uneven terrain. It limits sinking and helps maintain a stable base, whether **camping** , **hunting** , or in professional use.

Aluminum chassis protection

The end cap effectively protects the ends of the aluminum tubes from abrasion and repeated impacts. A discreet but essential element for preserving the seat's longevity.

Sold individually

Sold **individually** , it allows you to replace only the necessary part. Installation is simple: remove the old nozzle, insert the new one until fully adjusted.

FAQ

Which models is this stand compatible with?

It is compatible with the Walkstool Comfort 18", 22", 26", 30" as well as with the Walkstool Basic 20" and 24".

Is the product sold in batches?

No, this Walkstool plastic foot is sold individually so that you only need to replace the part that is needed.

Why replace a worn tip?

A well-maintained end cap ensures stability, safety, and protection of the aluminum tube. Replacing it extends the seat's lifespan.
