Robust strap compatible with Canicalm Smart.

The **Num'Axes 18.5 mm black polyurethane strap** is a replacement accessory designed to ensure support, comfort, and durability. Compatible with the **Canicalm Smart anti-barking collar**, it offers a reliable and robust solution for everyday use.

- **Brand:** Num'Axes
- **Compatibility:** Canicalm Smart Collar
- **Width:** 18.5 mm
- **Length:** 68 cm
- **Material:** Polyurethane
- **Color:** Black

Perfect compatibility with Canicalm Smart

This **polyurethane strap** was specially designed for the **Canicalm Smart anti-bark collar**. It guarantees a secure hold of the device while ensuring a precise fit around the dog's neck.

High-strength polyurethane material

Polyurethane is known for its resistance to wear, moisture, and dirt. In practice, it is easy to clean and retains its flexibility over time. Its flexible texture provides a good level of comfort for the animal, even during prolonged wear.

Sizes suitable for a wide range of dogs

With a **width of 18.5 mm** and a **length of 68 cm**, this strap is suitable for a wide range of body types. It can be adjusted to provide stable support without compromising comfort.

An essential accessory and spare part

Ideal as a replacement for a worn or damaged strap, it helps extend the lifespan of the electronic collar. A simple yet essential accessory for maintaining the effectiveness and safety of the equipment.

FAQ

Is this strap compatible with other Num'Axes collars?

It is specifically designed for the Canicalm Smart anti-barking collar. For other models, it is recommended to check compatibility.

Is the material water-resistant?

Yes, polyurethane offers excellent moisture resistance and is easy to clean, making it suitable for outdoor use.

Can the strap be adjusted to fit different dog sizes?

Yes, thanks to its length of 68 cm, the strap can be adjusted to fit different sizes of dogs while ensuring a secure hold.
