The AR9 BAVARIAN TACTICAL SYSTEM uses quality components, including an American barrel and bolt group, to offer a reliable, durable and accurate AR platform at a reasonable price.

Its 9x19 mm caliber gives it great versatility at the shooting range, so that it can be used in different disciplines (Keel shooting, Speed shooting...).

Its short barrel provides maximum compactness, for better responsiveness when firing and a significant weight saving.

Available in Tungsten grey and burnt bronze, the BTS9 stands out and allows you to differentiate yourself on the shooting ranges.
