Controlled heat and optimal comfort in all conditions.

The **BERETTA Polar HP Logo Zip Total** is a versatile thermal layer designed to accompany your outdoor activities and sport shooting in cool weather.
Its polyester construction ensures insulation and breathability for constant comfort.

- **Material:** 100% polyester 190 g/m²
- **Closure:** SBS central zip
- **Pockets:** SBS zipped side pockets
- **Cuffs:** elasticated with thumb loops
- **Bottom:** elasticated
- **Fit:** Regular fit
- **Operating temperature:** 10 to 20 °C
- **Branding:** printed chest logo, embroidered back logo

A thermal layer designed for the field

Whether it's a cool morning on duty or an extended shooting session, this fleece performs its role as a **thermal garment** perfectly. Worn alone or under a jacket, it offers an ideal balance between warmth and breathability.

Comfort and freedom of movement

Thanks to its **regular fit** , it adapts naturally to the body shape without restricting movement. The cuffs with thumb loops provide extra support - a detail that's especially appreciated in cooler weather.

Robust and functional design

The 190 g/m² polyester fabric ensures good resistance to wear while remaining lightweight. The SBS zippers guarantee smooth operation and durability, even after numerous uses in the field.

Practical details for everyday life

- **Use:** mid-layer or light jacket
- **Seasonality:** Mid-season and cool conditions
- **Range:** Multifield (multi-environment)
- **Sizes:** S to XXL

FAQ

Can this fleece be worn on its own?

Yes, it is perfectly suitable as an outer layer in mild weather or as a mid-layer under a jacket in colder conditions.

Is it suitable for the practice of sport shooting?

Yes, its comfortable cut and freedom of movement make it a garment suitable for different shooting disciplines.

How do I care for this fleece?

A standard machine wash at a low temperature is sufficient. Polyester dries quickly and retains its thermal properties over time.
