A lightweight, durable and visible hunting vest for effective movement on all terrains.

The **Beretta Symmer Orange AP Camo HD** Vest is a versatile **hunting vest** designed for hunters seeking comfort, visibility, and durability in the field. Lightweight and functional, it offers excellent protection against wind and moisture thanks to its water-repellent treatment.

- **Color:** Orange Realtree AP Camo HD high visibility
- **Sizes:** S to XXL
- **Material:** 100% polyester
- **Treatment:** Durable water repellent (DWR)
- **Closure:** YKK central zip
- **Radio pocket:** With antenna port
- **Front pockets:** Large cartridge pockets
- **Game bag:** Double rear access
- **Cut:** Right
- **Shoulders:** Abrasion-resistant reinforcements
- **Standard:** EN 17353:2020 high visibility

A vest designed for intensive hunting days

In the field, the lightness of the **Beretta Symmer Orange AP Camo HD vest** is immediately apparent. Its versatile design makes it suitable for **driven hunts** , **small game hunting** , and

stalking. The DWR-treated polyester outer fabric helps repel light moisture, morning dew, or light showers encountered while hunting.

High visibility and enhanced safety

The Realtree AP Camo HD orange color ensures excellent visibility to other hunters while maintaining a technical appearance suitable for natural environments. This version meets the EN 17353:2020 standard, a real advantage for group hunts where safety remains paramount.

Functionality designed for the field

Every detail has been designed to simplify movement and keep equipment within easy reach. The large front pockets easily accommodate **cartridges** or essential accessories, while the radio pocket with antenna port facilitates the use of a communication system in action.

The large, double-entry rear game bag offers convenient storage without restricting movement. It's exactly the kind of gear you quickly forget you're wearing, while still enjoying its effectiveness throughout the day.

Durability and everyday comfort

Abrasion-resistant inserts on the shoulders enhance durability when carrying a rifle or pack. The straight cut ensures good freedom of movement and allows for easy layering with thermal clothing in colder weather.

- **Compatibility:** Can be used with multi-layered technical hunting clothing
- **Use:** Active hunting, driven hunts, open fields, forests
- **Protection:** Windproof and water-repellent treatment
- **Comfort:** Lightweight ergonomic cut
- **Care instructions:** Quick drying and easy cleaning

FAQ

Is this vest suitable for driven hunts?

Yes, its high-visibility orange colour certified EN 17353:2020 makes it particularly suitable for group and driven hunts.

Does the vest protect against rain?

The fabric benefits from a DWR water-repellent treatment which helps to repel moisture and light rain, while remaining lightweight and breathable.

Can a radio be used with this model?

Yes, the vest has a dedicated radio pocket with antenna pass-through for easier use in the field.
