### Original Winchester polymer magazine for XPR rifle.

The **Winchester XPR 3-Shot Magazine 270/.30-06** is an additional magazine designed for XPR rifles, providing reliable feeding and quick field replacement.

- **Compatibility:** Winchester XPR
- **Calibers:** .270 Winchester, .30-06 Springfield
- **Capacity:** 3 shots
- **Material:** polymer
- **Type:** removable charger
- **Origin:** Original Winchester part

#### A magazine designed for the Winchester XPR

The **Winchester XPR 3-Round Magazine 270/.30-06** was specifically developed for XPR rifles chambered in **.270 Winchester** and **.30-06 Springfield**. Its original design ensures a precise fit and consistent cartridge feeding.

#### Capacity suitable for hunting

With its 3-round capacity, this magazine meets the needs of hunters who want a spare or to replace an original part. Its compact size also makes it easy to carry in a pocket or dedicated pouch.

#### Sturdy polymer construction

Made from **polymer**, this magazine combines lightness and resistance to the stresses encountered in the field. It effectively withstands the typical conditions of use in driven hunts, stalking, or stand hunting.

#### A practical solution in the field

Having an extra magazine saves time during handling and ensures continuous use of the rifle. It's a particularly appreciated accessory to complement the equipment of a **Winchester XPR**.

#### Additional features

- **Use:** hunting and sport shooting
- **Design:** Detachable charger
- **Finish:** black
- **Weight:** lightweight thanks to the polymer construction
- **Installation:** quick insertion and removal

## **FAQ**
