- **Closure:** double-opening brass spout
- **Style:** Traditional English
- **Ring:** suspension ring (lanyard ring)
- **Use:** transport and distribution of lead seals
- **Finish:** polished brass

An accessory inspired by British tradition

The **Pedersoli English Soft Leather Shot Bag** replicates the style of equipment used by 19th-century British shooters and hunters. Its classic design and fine materials make it an ideal complement to historical attire or traditional shooting equipment.

A soft leather that's pleasant to use

Made from **supple leather** , this shot bag offers excellent grip and good durability. Its distinctive shape allows for easy transport of a supply of shot while maintaining a compact size.

Brass double shutter closure

The upper section is equipped with a double-locking, **brass** "rocker" type system. This design facilitates controlled pouring of the contents while limiting accidental losses during transport on the firing range or in the field.

Carefully handcrafted

The hand-stitched seams attest to the care taken in its manufacture. The traditional finishes and the hanging ring reinforce the authentic character of this accessory, which is particularly appreciated by historical reenactors and black powder shooters.

Additional features

- **Style:** English historical accessory
- **Transport:** integrated hanging ring
- **Metallic finish:** brass
- **Destination:** black powder shooting and collection
- **Manufacturing:** traditional artisanal approach

FAQ

What is the purpose of a traditional shot bag?

It allows for the easy transport and distribution of lead shot intended for shooting with historical or black powder weapons.

Is this model made of genuine leather?

Yes, it is made of soft leather with hand stitching and brass fastening elements.

Is this bag suitable for a historical reenactment outfit?

Yes, its traditional English design and authentic materials make it a particularly suitable accessory for reenactments and historical shooting.
