An original presentation for your historical replicas

The **Denix PM Gold Bullet Holder** was designed to showcase replica long or short guns in a style true to the **Wild West** . Its cartridge-like design instantly adds a distinctive decorative touch to your display space.

A style inspired by the American West

Western enthusiasts will appreciate its aesthetic, directly inspired by late 19th-century ammunition. Combined with a replica of a historical revolver, rifle, or shotgun, this display helps create a cohesive and particularly immersive presentation.

Sturdy metal construction

Made of **metal** , this stand offers good durability while maintaining a compact size. Its two-tone finish, combining an aged base and a gold-colored cartridge, enhances its authentic look.

Ideal for display cases and collections

Whether in a dedicated room, a display case, or a collection space, this wall-mounted bracket effectively showcases your favorite pieces. Its compact size makes it easy to integrate into a variety of decorative styles.

Additional features

- **Packaging:** set of 2 stands
