A versatile sub-caliber bullet, compatible with all chokes.

The **FOB Brenneke 22g 12/70 Sub-Caliber Cartridge** features a **sub-caliber bullet** mounted on a **plastic wad**. Compatible with all **choke bores**, it offers excellent versatility without usage restrictions. A reliable solution for hunters seeking precision and simplicity.

- **Caliber:** 12
- **Socket length:** 70 mm
- **Projectile:** Sub-caliber **Brenneke** slug
- **Ball weight:** 22 g
- **Base:** 20 mm
- **Socket:** Translucent
- **Filling:** Plastic
- **Compatibility:** Can be used without restriction in all choke bores
- **Packaging:** Box of 10 cartridges

A versatile, sub-caliber bullet

Thanks to its **sub-caliber Brenneke** design, this ammunition offers excellent compatibility with all **chokes**. This feature makes it easy to use on many shotguns without requiring any special setup.

Reliability for big game hunting

The **22g** projectile ensures a stable trajectory and good accuracy at typical rifle shooting distances. The **plastic wad** contributes to consistent operation and good barrel protection during firing.

Designed for practical use

The **translucent case** facilitates quick identification of the ammunition, while the **20mm base** ensures reliable extraction. This type of cartridge is valued for its ease of use and versatility in the field.

FAQ

Can this cartridge be used with all chokes?

Yes. This sub-caliber Brenneke slug is designed for unrestricted use in all choke bores.

What is this ammunition intended for?

This cartridge is intended for hunting big game with a compatible 12 gauge shotgun chambered in 70 mm.

What maintenance is required after shooting?

As with all hunting ammunition, regular cleaning of the barrel and chamber is recommended to preserve the performance and longevity of the rifle.
