A reinforced stainless steel inlet valve to optimize the reliability of Hi-Capa magazines.

The **ARCTURUS Hi-Capa Blowback Housing** is an original part designed for **Tactical Vanguard blowback actions that are not Optics Ready** . Its design, combining **cast zamak** and **CNC-machined aluminum,** guarantees reliable operation and perfect compatibility with original replicas.

- **Type:** Inlet Valve
- **Brand: ARCTURUS**
- **Range:** RS®
- **Construction:** Stainless steel with steel core
- **Compatibility: ARCTURUS Tactical Vanguard Hi-Capa** Magazines
- **Function:** Filling valve for GBB magazine
- **Use:** Replacement or maintenance of an original valve

A valve designed for Hi-Capa magazines

The **ARCTURUS RS® Hi-Capa intake valve** is designed to replace the filling valve on **Tactical Vanguard Hi-Capa** magazines. An essential component of the gas supply system, it helps maintain reliable operation of the replica during refilling.

Stainless steel construction

Made of **stainless steel** and equipped with a **steel core** , this valve offers excellent resistance to corrosion and wear. This robust design allows it to withstand the repeated stresses associated with refilling **gas blowback** magazines.

Improved everyday durability

Thanks to its high-quality materials, this valve is an ideal solution for replacing a worn part or restoring the performance of a charger. Its precise machining ensures a good seal and contributes to the overall reliability of the gas supply system.

Compatible with Tactical Vanguard magazines

Developed specifically for **ARCTURUS Tactical Vanguard Hi-Capa magazines** , this part installs in place of the original valve to maintain compatibility and the characteristics intended by the manufacturer.

FAQ

Which chargers is this valve compatible with?

It is compatible with ARCTURUS Tactical Vanguard Hi-Capa gas magazines.

What are the advantages of a stainless steel construction?

Stainless steel offers excellent resistance to corrosion and wear, which improves the durability of the valve during repeated refills.

Does this valve directly replace the original part?

Yes. It is designed to replace the original intake valve of compatible ARCTURUS Tactical Vanguard Hi-Capa magazines.
