A dedicated charger for the PP19-01 Vityaz GBB

The **VFC PP19-01 Vityaz 35-round gas magazine** is designed for the **VFC PP19-01 Vityaz GBB** series. Its compatibility is therefore specifically advertised with this platform, preventing it from being considered a universal magazine for other GBB replicas.

Capacity of 35 balls and Green Gas power supply

The magazine holds up to 35 BBs and operates on **Green Gas** . It therefore provides both the BB feed and the gas supply for the Gas Blowback system of the compatible replica.

Reinforced polymer shell and aluminum core

The construction combines a **fiber-reinforced polymer** shell with an internal aluminum core. This combination allows for a durable outer casing while integrating a metal structure at the heart of the charger.

An essential component to complete a GBB setup

Having multiple magazines allows you to prepare a setup suited to games where reloading needs to happen quickly. With a 35-round capacity and Green Gas power, this model remains directly compatible with the operation of the **PP19-01 Vityaz GBB** .
