A semi-fitted outdoor shirt with adjustable cuffs, easy to care for.

The **Jack Pyke Women's Countryman Shirt** combines classic **country shirt** style with a practical design suitable for both outdoor activities and casual wear. Its 60% cotton and 40% polyester blend offers the feel of cotton with the easy care required for everyday wear. The traditional check pattern emphasizes its country inspiration and allows for easy styling: layer it under a tweed jacket with a tie for a more formal look, or with a fleece vest and jeans for a more relaxed ensemble. **Adjustable cuffs** with a comfortable opening complete this functional design. Versatile throughout the seasons, this **Jack Pyke** shirt is particularly well-suited for layering.

A semi-fitted cut designed for the outdoors

The **Jack Pyke Ladies Countryman Shirt** features a **semi-fitted cut** . This construction gives the shirt a structured silhouette while maintaining its versatility for outdoor activities.

The **large check** pattern combined with the navy color places the shirt firmly in the traditional countryman style. It's an easy design to incorporate into an outdoor outfit without becoming a purely technical garment.

Adjustable cuffs and sleeve vents

Adjustable cuffs allow you to customize the sleeve closure for a different look. They are complemented by slits at the wrists, a construction detail that complements the sleeve opening and facilitates adjustment.

An easy-care material

Choosing an **Easycare fabric** is a very practical decision for a garment worn regularly outdoors: simplifying its care. This feature enhances the shirt's versatility for everyday wear as well as for various outdoor activities.

A versatile shirt in a Countryman style

The combination of a semi-fitted cut, adjustable cuffs, and easy-care fabric gives this shirt a positioning that falls somewhere between **outdoor wear** and casual attire. It can therefore be worn in various situations without losing the traditional character provided by its large navy checks.

FAQ

What is the purpose of adjustable cuffs on an outdoor shirt?
