Brass cases for .451 caliber Sharps

These **Pedersoli .451 caliber cartridge cases** are specifically designed for compatible **Sharps 1859 and 1863 revolvers**. Sold in packs of 10, they are a perfect addition to any kit for these iconic 19th-century replicas.

Designed for a projectile with an original profile

This version is distinguished by its compatibility with a **bullet of original profile**. It is therefore aimed at users looking for the corresponding configuration for their Sharps rifles, unlike cases designed for bullets of modern design.

An accessory designed specifically for the Sharps 1859 and 1863

The **Sharps 1859** and **Sharps 1863** rifles hold a special place in the world of **antique firearms shooting**. These brass cartridge cases provide an accessory specifically designed for compatible .451 caliber models and for the indicated type of projectile.

Convenient 10-piece pack

The pack contains **10 brass sockets**. This packaging allows you to assemble or complete a set for a compatible Sharps tool while maintaining consistent components.
