Unisex hunting gaiters made of polyester with DWR water-repellent treatment.

The Beretta Tech Ankle gaiters are made of quiet, durable polyester with a water-repellent finish. They fasten at the front with a zipper and hook-and-loop closure. A drawstring adjusts the calf, while a steel cable and elastic straps secure them under the boot.

- **Composition:** 100% polyester
- **Exterior treatment:** DWR water repellent
- **Lining:** water-resistant fabric
- **Closure:** SBS front zipper and hook and loop fastener
- **Adjustment:** drawstring at the calf
- **Boot attachment:** steel cable under the boot with elastic straps and lower hook
- **Marking:** Beretta logo printed on the front

Polyester hunting gaiters

The Beretta Tech Ankle unisex gaiters are made from a quiet and durable polyester. Their outer fabric has a DWR water-repellent treatment, complemented by a water-resistant lining.

Adjustment and attachment to the boot

The front closure combines an SBS zipper with a hook-and-loop fastener, while a drawstring allows for calf adjustment. Under the boot, a steel cable with elastic straps completes the fastening, with a hook located at the bottom of the gaiter.
