Three formats for the secure transport of your long guns.

The **black Megaline case** is available in three sizes to accommodate all long gun formats. Robust, lightweight, and featuring a convoluted foam interior, it guarantees excellent protection during transport. The dimensions given are the external dimensions.

- **Model MAL401:** 97 x 25 x 10 cm - 2360 g
- **Model MAL405:** 110 x 25 x 10 cm - 2800 g
- **Model MAL411:** 125 x 25 x 10 cm - 2860 g
- **Material:** Rigid polypropylene
- **Interior:** protective honeycomb foam
- **Closure:** by safety clips
- **Handle:** molded, ergonomic

One case for each configuration

Available in three lengths (97, 110 and 125 cm), the **black Megaline case** covers all the **transport needs of long guns** : compact rifles, disassembled semi-automatic or express rifles, large fixed-barrel guns... Each model shares the same width and height for uniform storage.

Inner protection made of honeycomb foam

The interior is lined with **high-density, convoluted foam** that conforms to the shape of the firearm and absorbs shocks. Ideal for preserving the mechanical and aesthetic condition of firearms during frequent travel or long-term transit.

- **Shock absorption:** compressible cell foam
- **Internal stability:** good weapon support

Rigid and lockable structure

The **rigid polypropylene** body resists torsion, impacts, and friction. Each case features sturdy **clip closures** and can be padlocked for added security (pre-drilled slots available).

- **Main closure:** 4 clips (depending on model)
- **Lockable:** yes, with a padlock (not supplied)

Practical and discreet design

Its matte black design, free of any visible logo, gives it a discreet and professional look. The **molded central handle** ensures comfortable carrying, even over long distances. A **labeling area** is provided for quick identification of the contents or owner.

- **Handle:** integrated, comfortable
- **Identification:** Embedded white label
- **Stackable:** yes, flat format

FAQ

Which model should I choose for a takedown rifle?

The MAL401 model (97 cm) is perfectly suited to a disassembled or short-barreled rifle.

Can I lock this briefcase with a padlock?

Yes, each case has holes allowing the addition of a padlock (not supplied).

What is the material of the inner foam?

The foam is of the honeycomb type, high density, for effective shock absorption.
