The essence of Opinel expertise in a collector's box.

This set brings together the 10 iconic folding knives in the Opinel Carbone range, from No. 2 to No. 12. Each piece showcases French tradition and craftsmanship, with a high-carbon steel blade with a Yatagan profile and a smooth edge renowned for its precision. The handles are made of beechwood from sustainably managed forests, varnished for greater durability. This set is a favorite choice for collectors, knife professionals, or discerning enthusiasts looking for a complete and cohesive set.

Ideal for collectors, cutlery enthusiasts or as a display piece in a shop, the **Opinel Carbon Collection 10-knife set** embodies the excellence of the French folding knife. Used daily or carefully preserved, this set pays tribute to more than a century of Opinel tradition. Each knife is numbered, from **No. 2 to No. 12** , and features a very sharp **carbon steel blade** , easy to maintain if precautions are taken. The stained and varnished **beech handle** offers excellent grip comfort and optimal durability.

Opinel carbon steel

Forged from high-carbon, unalloyed steel, each blade guarantees **excellent cutting performance** , **remarkable wear resistance** and **easy resharpening** . However, be careful of humidity: always wipe the blade after use and regularly apply a protective grease film.

Certified beech wood handles

Sourced from sustainably managed French forests (PEFC certified), the **beech used by Opinel** is robust, stable, and pleasant to the touch. It is recognizable by its small dark lines and its naturally light color, ranging from yellow to pink. The varnish effectively protects the wood from external aggressions.
