Airsoft replica of the most famous American semi-automatic pistol of the 20th century.

Classic STI® M1911 pistol. This is a very lightweight version with top-notch performance. The gun has a fixed hop-up and is very easy to use. The magazine holds 12 balls

The M1911 (also called Automatic Colt Pistol [ACP] or Colt 45) is a single-action, semi-automatic lock-in pistol, with short barrel recoil loading. It was the pistol of the United States Armed Forces for 74 years, from 1911 to 1985. Civilian models and most models delivered to the United States Forces were manufactured by Colt's Patent Fire Arms Manufacturing Company, Hartford, Connecticut . The M1911 is one of the rare weapons to have been used massively during the two world wars.
