Handcuffs without keys for the training of the police.

- Push-button opening
- Ideal for training
- Allows repetitive manipulations
- Without opening constraints with keys

Design :

Made from a mix of aluminum and steel, these handcuffs are a little lighter than the original model at 290 grams. Ideal for all wrist diameters, we will find for these bracelets a diameter of 65 millimeters for a total length of 11.5 centimeters. These two bracelets are connected by two chain links with a diameter of 3 centimeters mounted on a steel pivot rotating 360 degrees. This system will give these instruction handcuffs great flexibility.
