These cartridges are the reputation and success of the Vouzelaud brand. The Complices are Vouzelaud specialties recognized and envied for decades. Many rifles have too choked guns giving sheaves of shattering and too tight seals at normal hunting distances. The fluff Vouzelaud Complice loosens, orders and rounds the sheaf without dispersion. Whether the barrel is smooth, 1/4, 1/2, 3/4 or choke, the sheaf will always be that of an improved smooth barrel or 1/4 of choke with a homogeneous and regular distribution. For threshing and medium distance shooting, the improvement in yields is spectacular.
