Dobby with 2 opposite doors to place in the passage of rodents!

To trap live pests: rats, nutria, weasels and weasels.

Anti-corrosion: galvanized steel + epoxy paint.

The doobby of passage is a formidable efficiency to trap live pests: rats, nutria, weasels and weasels. The doobby with two entries must be placed on the passage of the pests for a guaranteed entrapment. When passing the animal the central pallet triggers the closing mechanism of the hatches. Made of metal coated with highly resistant epoxy paint and galvanized for protection against corrosion.

- Color: dark green
