Le premier modèle produit par christopher miner spencer fut la carabine 'spencer 1860', fameuse pour l'exactitude de tir et la vitesse incomparable.

- Tubular store housed in the stick.
- Ability 7 + 1 shots.

Famous for shooting accuracy and incomparable speed!

Chiappa firearms is the only industry-wide manufacturer in the world that faithfully reproduces the Spencer model in every detail. So much so that all the components are milled in solid steel blocks to ensure the reliability of operation, because the total interchangeability of parts with the originals is achievable.

The first model produced by Christopher Miner Spencer was the Spencer 1860 rifle, famous for accuracy of shooting and unparalleled speed.

With its construction and tolerances so accurate the 7 metal cartridges were not damaged by moisture. This new lever model could fire faster and be reloaded faster than a 'Colt' revolver.
