- **Finish:** Matte stainless steel (Chrome)
- **Sights:** Skinner Peep type rear sight
- **Take Down System:** 3-step tool-free disassembly
- **Weight:** 3 kg

The **Chiappa 1892 Alaskan Take Down** in .44 Magnum caliber is a lever-action rifle that perfectly combines **tradition and modernity** . Inspired by the legendary Winchester 1892, it has been redesigned to offer hunters a reliable, robust and easily transportable weapon.

A simple and practical Take Down system

The particularity of this rifle lies in its **Take Down** system, which allows the weapon to be dismantled into two parts without tools, in just three steps:

Unscrew the magazine tube
Open the trigger lever to 90°
Rotate the barrel a quarter turn

This ingenious mechanism makes it easy to transport, store and maintain the rifle.

Comfort and robustness

The **Soft Touch rubber-overmolded wooden stock** provides optimal shooting comfort and excellent shock absorption. Its matte stainless steel finish guarantees high weather resistance and increased longevity, even in the most difficult conditions.

Performance and style

Featuring a **20" octagonal barrel** and a **10+1 round** capacity, this rifle combines power and accuracy. Its **Skinner Peep** sights facilitate rapid target acquisition, ideal for big game hunting and recreational shooting.

The **Chiappa 1892 Alaskan Take Down** seduces with its balance between **classic aesthetics** , **modern practicality** and **ballistic efficiency** . It is aimed at both western gun enthusiasts and demanding hunters.
