The Sologne 270 win subsonic cartridge is intended for Hunting rifles equipped with a sound moderator.

The subsonic cartridge is designed to be used in a weapon equipped with a sound limiter. The speed, below that of sound, of these ammunition is around 320 m / s. Its maximum range is about 100 m.

The sound reproduction and the grouping depend on the weapon used and its no scratches. It is advisable to check after each shot that the barrel is not obstructed.
