A51280	Yildiz Cal.12 Shotgun Choke Wrench	Vente libre	cal. 12	76 mm	15.00 € incl. tax

Choke wrench for Yildiz 12 gauge shotguns, essential for (moderate) tightening of chokes.

the tightening of the chokes must be moderate. it is advisable to disassemble and clean the chokes, especially after a wet ride in order to prevent rust, which is always very rapid in such circumstances. a monthly inspection is considered ideal to ensure the chokes are not "welding" to the barrels.
