A reliable and affordable shotgun for defense and sport shooting!

The **Mossberg Maverick 88 Security** is a **12-gauge pump-action shotgun** designed to offer an effective and economical solution for home defense and tactical shooting. It features a **47 cm (18.5-inch) barrel** with a fixed cylinder choke, optimized for accurate and wide-spread shooting at short range. Its simple and proven design makes it a robust and **reliable firearm in all situations** . Equipped with a **5+1 round tubular magazine** , it ensures excellent ammunition capacity, ideal for situations requiring immediate action.

The **Maverick 88 Security** is a pump-action shotgun designed to be **both affordable and high-performing** . Part of the Mossberg range, it shares many parts with the renowned **Mossberg 500** , ensuring **compatibility with a wide range of accessories** and simplified maintenance.

Thanks to its **47cm barrel and cylinder choke** , it is particularly well-suited for self-defense and short-range shooting. Its **5+1 round** tubular magazine allows for rapid fire without frequent reloading, an advantage for home protection and tactical training.

The ergonomic design of the Maverick 88 includes a **weather-resistant synthetic stock** , ideal for outdoor use or harsh conditions. Its smooth and responsive pump action ensures a fast and accurate rate of fire.

Finally, the safety's position on the trigger guard allows for **quick activation** , suitable for both right- and left-handed shooters. Its moderate weight makes it easy to handle, accessible to shooters of all skill levels.

The advantages of the Mossberg Maverick 88 Security

?? **Excellent value for money** for a reliable and affordable pump-action shotgun
?? **5+1 shot capacity** for optimal battery life
?? **Stock and handguard made of shock and weather resistant polymer**
?? **Simple and effective mechanism** , ideal for beginners and pros alike

?? **Compatible with many Mossberg 500 accessories**

FAQ - Frequently Asked Questions

? **What is the capacity of the Mossberg Maverick 88 Security?**
It has a tubular magazine of **5+1 rounds** , offering good autonomy in defense or sport shooting situations.

? **Can accessories like a lamp or a front handle be added?**
Yes, this rifle is **compatible with several Mossberg 500 accessories** , including rails for lights and grips.

? **Is the Maverick 88 a good option for home defense?**
In the United States, it is known for offering **excellent responsiveness and intuitive handling** , while remaining affordable.

? **What type of cartridges can I use?**
It accepts **12/70 and 12/76 Magnum caliber ammunition** , compatible with various types of loads (lead, buckshot, slug).

? **What is the difference between the Mossberg Maverick 88 and the Mossberg 500?**
The **Maverick 88** is a more economical version of the **Mossberg 500** , with minor differences such as the position of the safety (on the trigger guard instead of the receiver) and some variations in materials.
