The original weapon, the Accuracy International AWP (Arctic Warfare Police) is a bolt action rifle for very long distance shooting. Chambered in the calibers .308 Winchester, .338 Lapua, .300 Win Mag and 7 mm Remington Magnum, the weapon has proven itself for many years in different terrains, as evidenced by its use by several intervention units around the world. : GIGN (France),

FOI2 (Canada), SAS (Great Britain) among others. Its modern and unique design makes it immediately recognizable and has allowed it to become famous among the general public thanks to its foray into the popular video games of the Call Of Duty, Counter strike and Battlefield franchises.
